TAXIS Plus

Nessun altro cassetto per farmacia è innovativo come l'ultimo prodotto della Icas. **TAXIS PLUS** raccoglie e consolida l'eredità degli ultimi 20 anni della serie Taxis 1 e Taxis 2. **TAXIS PLUS** è il primo cassetto ad avere il fianco con incorporato un portasc Schede in materiale plastico che facilita l'identificazione dei prodotti. Unico nel suo settore, il nuovo sistema brevettato offre una capacità di contenimento del 100% garantendo una maggiore portata. Disponibile in sei profondità e cinque larghezze, **TAXIS PLUS** è l'evoluzione naturale di un grande progetto.

No other drawer for pharmacy is so innovative as Icas new product. TAXIS PLUS consolidates and collects last 20 years heritage of Taxis 1 and Taxis 2 drawer. TAXIS PLUS is the only drawer having plastic card holder integrated in the side, making it easy to identify all the products. Unique in its field, this patented system, offers a 100% capacity. TAXIS PLUS is available in 6 depths and 5 widths and it is the natural evolution of a big project.

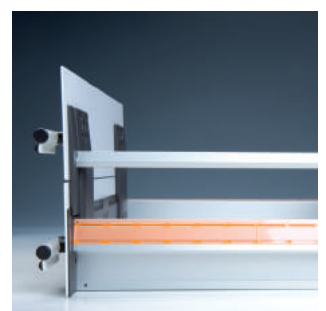

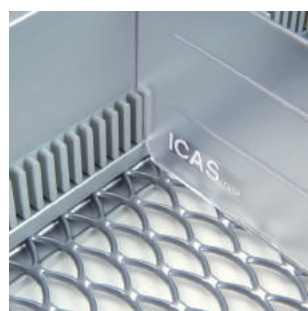

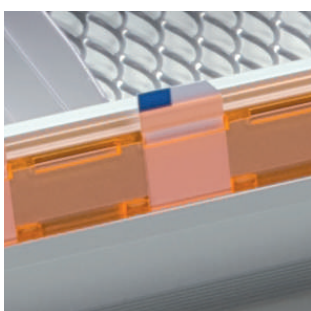

Aucun autre tiroir pour la pharmacie est si innovateur que le dernier produit de Icas. TAXIS PLUS rassemble et consolide l'héritage des 20 dernières années de la série Taxis 1 et Taxis 2. TAXIS PLUS est le premier tiroir avec un porte-étiquette en plastique déjà incorporé dans le côté, afin de faciliter l'identification des produits. Unique dans son domaine, le nouveau système breveté, a une capacité de 100% et permet ainsi une charge plus grande. Disponible en six profondeurs et cinq largeurs, TAXIS PLUS est l'aboutissement naturel de nos recherches.

Keine andere Schublade für Apotheken ist so innovativ wie das letzte Produkt von Icas. TAXIS PLUS umfasst und konsolidiert das Erbe der letzten 20 Jahre der Serien Taxis 1 und Taxis 2. TAXIS PLUS ist die erste Schublade, in deren Seitenteil eine Kartentasche aus Plastikmaterial integriert ist, der die Produktidentifikation vereinfacht. Das neue patentierte System ist in seinem Bereich einzigartig, bietet eine Aufnahmekapazität von 100% und gewährleistet so ein höheres Fassungsvermögen. TAXIS PLUS ist in sechs Tiefen und fünf Breiten erhältlich und stellt die natürliche Weiterentwicklung eines großen Programms dar.

Ningún otro cajón para farmacia es tan innovador como el último producto de Icas. TAXIS PLUS reúne y afianza el legado de los últimos 20 años de las series Taxis 1 y Taxis 2. TAXIS PLUS es el primer cajón que tiene el lateral con un portafichas incorporado de material plástico que facilita la identificación de los productos. Único en el sector, el nuevo sistema patentado permite aprovechar el espacio al máximo, garantizando una mayor capacidad. Disponible en seis profundidades y cinco anchos, TAXIS PLUS es la evolución natural de un gran programa.
